Alpa Coachbuilt

The motorhome for couples travelling as a couple. With generous space, a huge panoramic seating group and comfortable single beds in the alcove or lift bed, this motorhome is ideally suited for comfortable travelling as a couple. And even in freezing temperatures, because the heated double floor with frost-protected water installation makes it absolutely winterproof.

Technical info*	
Technically permissible total mass	4500 / 4800 - 6700 kg
Overall length, approx.	733 - 886 cm
Overall width, approx.	233 - 235 cm
Overall height, approx.	**327 - 345 cm**

* Maximum values partly not possible for all models or only in connection with certain options.

Upholstery

+ Amaro upholstery

+ Skylight real leather upholstery *

+ Individual genuine leather *

+ Goa upholstery *

Wood décor

+ Virginia Oak wood décor

+ Alternative overhead locker doors *

*optionally available

Plus factors

+ Huge panoramic U-shaped seating with plenty of space to eat and chill out
+ Large, comfortable single beds with convenient access
+ Large, spacious double floor, which can also be loaded from the rear (rear doors with one-hand operation)
+ Large bathroom and dressing area
+ Winter-proof: heated double floor with frost-protected water installation
+ Hot-water heating as standard
