

Globetrotter XL A Class

This lifestyle luxury motorhome combines spacious living, modern design and genuine driving dynamics. The sporty design language translates a premium wide-track low-frame chassis into real driving experiences. With the Globetrotter XL, you are just as good on the road as it looks: sporty, dynamic and safe - and thanks to the winterproof double floor construction, 365 days a year.

Technical info*

Technically permissible total mass	5000 / 5400 kg
Overall length, approx.	865 cm
Overall width, approx.	233 cm
Overall height, approx.	304 cm

* Maximum values partly not possible for all models or only in connection with certain options.

Upholstery

+ Samir upholstery

+ Melia upholstery *

+ Collin real leather upholstery *

+ Individual genuine leather *

Wood décor

+ Amber Oak wood décor

*optionally available

Plus factors

- + Dynamic and safe handling due to premium wide-gauge low platform chassis
- + Lifetime Plus body technology with absolutely rot-proof and durable wall construction
- + Winter-proof: heated double floor with frost-protected water installation and standard hot water heating system
- + Dethleffs Connect - digital control unit for networking the entire vehicle incl. control via digital display and own app
- + Harmonious light composition "Light Moments" optional
- + Ergonomic captain seats, optionally available as air-swing seats with heating and ventilation
- + Fully equipped kitchen with solid surface worktop and automatic central locking for the drawers
