

Caravans 2023

Dethleffs
A friend of the family

Dethleff's

Welcome

to Dethleffs. Travelling is a very pleasant hobby. Together with your family you can discover new regions and find new friends. In short, camping lets you get close to nature. With one of our Dethleffs caravans you can experience this in a very special way. Discover the meaning of caravanning with Dethleffs. Let's go!

In addition to the information in this brochure, we have prepared additional multimedia information for you, such as videos, pictures, product information and prices.

The invention of the “camper car” – a love story!

As a junior manager in his father's whip and bridle factory, Arist Dethleffs was often away on business trips for weeks on end. He missed his family so much during these times that he promptly invented the “camper car” in 1931 – the first caravan in Germany. This devoted family man thus not only invented, but then also pioneered a completely new form of travel, which remains extremely popular today.

The Dethleffs family and their vehicle/trailer combination aroused curiosity and interest wherever they went. And so Arist soon began returning from his travels with orders for camper cars, which he manufactured in a small garage on the company premises.

The startup quickly picked up speed and left the small garage to become a separate division that focused exclusively on building caravans. Caravanning soon established itself as an entire movement in its own right.

A pioneering spirit that fascinates us to this day

We do “Quaravanning”.

Actually, at Dethleffs the word “caravanning” should really begin with a “Q” because our vehicles are the perfect manifestation of our quality standards – based on almost a century of experience. We have embodied the pioneering spirit of our founder Arist Dethleffs for 90 years and devote all of our energy to building the best recreational vehicles of their time. We stay true to our values and focus on what really matters:

Quality is in our DNA

- Optimised manufacturing processes based on the highest quality standards
- Precision and craftsmanship by largely self-trained specialists
- Exclusive use of high-quality components and materials

Rethinking responsibility

- Skilled specialists in all trades
- In-house training (one of the largest training companies in the region)
- Continuous further training

Staying ahead through outstanding service

- Reliability and safety thanks to our large service and dealer network
- With more than 350 dealers and service partners throughout Europe, help is always close at hand when needed
- State-of-the-art spare parts warehouse
- 18,500 spare parts permanently available
- 93% of dealer orders are fulfilled within three days
- Regular workshop training ensures that our dealers are up to date with the latest knowledge

Experience the production of our caravans and motorhomes live!

High-quality products, “Made in Germany” at Dethleffs in Isny (Allgäu).
We operate one of Europe’s most advanced production facilities for recreational vehicles

Quality that inspires

Pure happiness
C'JOY

C'JOY Highlights

- + The perfect caravan for beginners: very affordable and with everything you'll ever need on board
- + Never fear the narrow streets: one of the smallest caravans in its class with a width of just 2.12 m
- + A real lightweight: with the appropriate towing vehicle, you only need a standard class B driver's licence
- + Protects you from bad weather: roof, front and rear made of robust GRP
- + You don't have to make compromises: you can bring as much as you need thanks to lots of storage space and a large payload

2-part entrance door

The front, roof and rear are made of robust GRP

With plentiful storage space and a large payload, everything you need is already on board

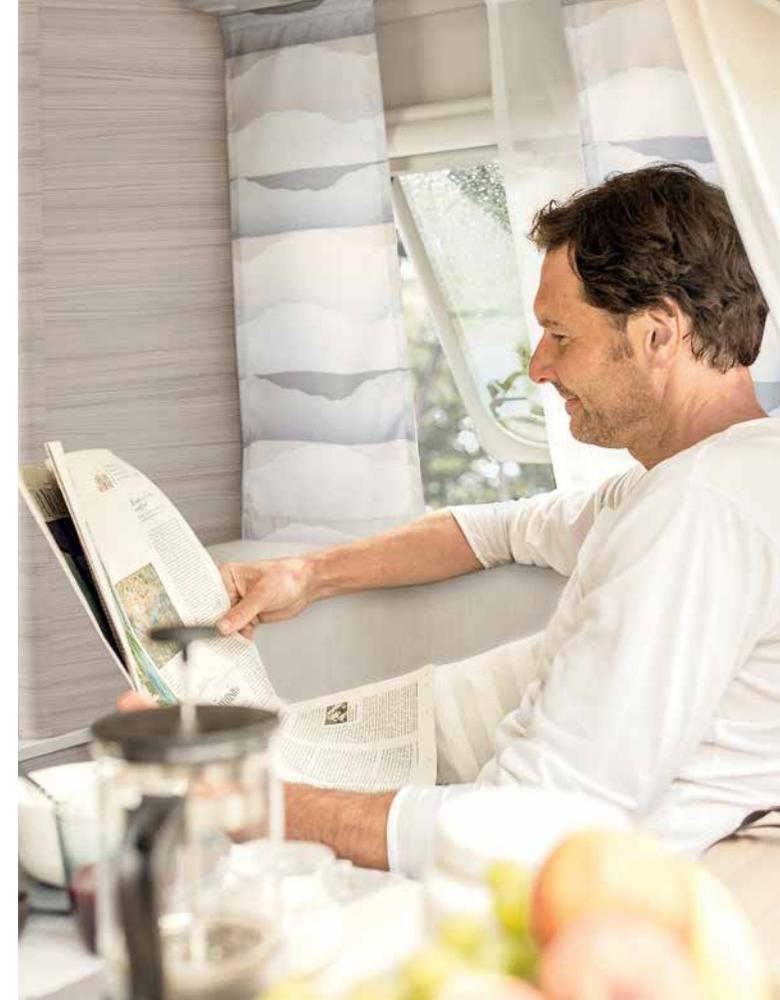

LIVING

Pure holiday feeling

Practical: the seating lounge can easily be converted to a sleeping area · 480 QLK | Timor

A hearty breakfast in the cosy seating lounge is a great way to start the day and ensures a successful holiday · 460 LE | Kapan

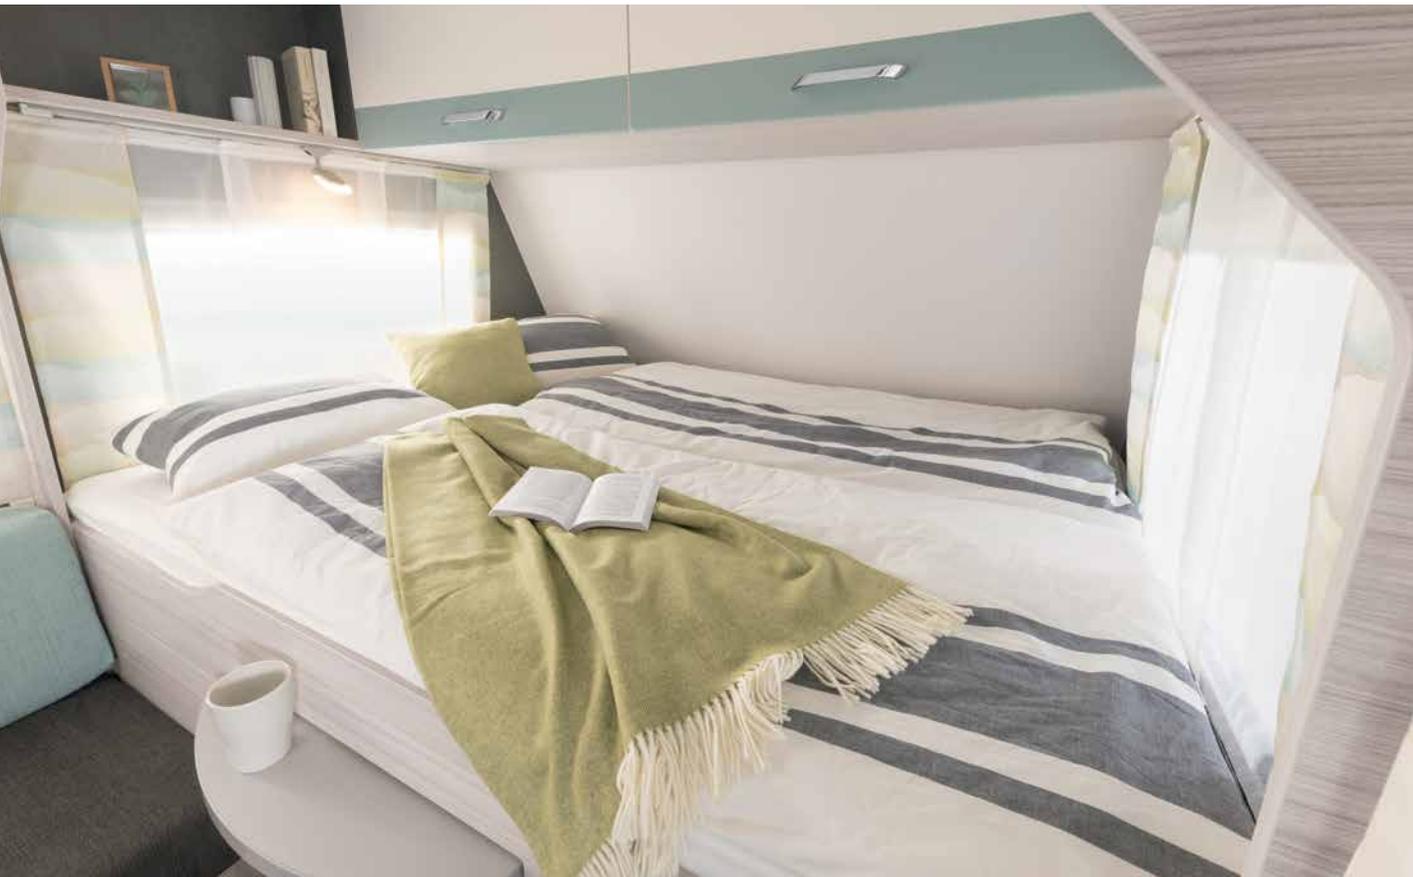

1 Practical 3-burner hob with manual ignition

2 The cosy single beds offer extreme comfort and, if required, can be interconnected via additional (optional) elements to form a large sleeping area

3 Additional sleeping berths can be created by converting the seating lounge

SLEEPING

On holiday at last!

Bonne nuit: enjoy restful sleep in a comfortable queen bed · 480 QLK | Timor

Up to three sleeping berths are optionally available in the bunk bed in the rear of the c'joy · 480 QLK | Timor

BATHROOM

Refreshment

The c'joy is equipped with an attractive sink - 480 QLK | Timor

In the c'joy you don't need to make do without a bathroom - you will find everything you need for a refreshing start to the day - 460 LE | Timor

COOKING

Small kitchen, big potential

The c'joy is equipped with a 131.5-litre fridge including 15-litre freezer • 480 QLK | Timor (depending on the layout)

Compact and practical: with 3-burner hob, stainless steel sink and abundant storage space
• 480 QLK | Timor

c'JOY Highlights

You can find the full specification for the c'JOY models in the separate technical information or at www.dethleffs.com/cjoy

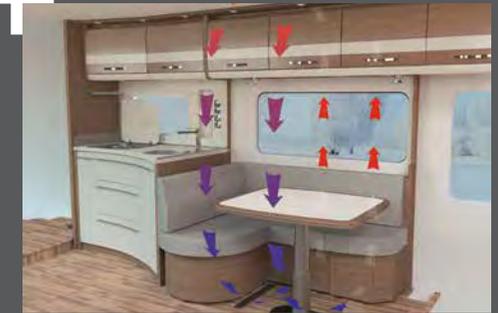

Sustainable fabrics made from 100% recycled PET bottles

The special slatted frames can be configured for optimal use of the available storage space

2-person bunk bed, optionally also available with a 3-person bunk bed (depending on layout)

AirPlus – perfect air circulation in the interior with rear ventilation of the overhead lockers and sideboards

Compressor fridge as standard

Cold foam mattresses as standard on all fixed single and double beds

With a width of just 2.12 m, the c'joy fits through the narrowest passages

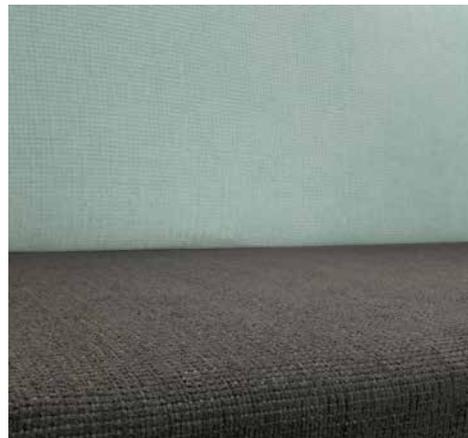

Openable and insulated double-glazed windows with blackout and mosquito blinds

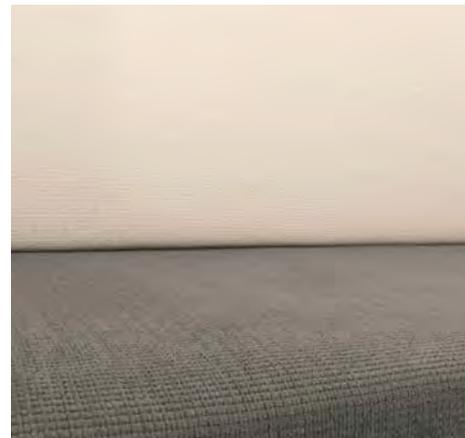

Variety of choice

Sustainable fabrics made from 100% recycled PET bottles.

Caravans to go **C'GO & C'GO UP**

C'GO & C'GO UP Highlights

- + Something for everyone: there is a wide range of layouts for small and big families
- + Fresh look: chic, modern interior design and a colourful choice of upholstery for every taste
- + Protects you from bad weather: roof, front and rear made of robust GRP
- + Nothing needs to be left at home: so much storage space and a high payload give you the possibility to take everything you need with you
- + Lightweight: it can be towed with a Class B driver's licence (depending on the towing vehicle)

Openable and insulated double-glazed windows (grey graphite) with blackout and mosquito blinds

Accessible from the outside: large storage space flap with folding bunk bed (optional)

Premium brand tyres engineered for 100-kph approval

LIVING

Cosiness without compromises

Totally flexible: comfortable get-togethers or additional sleeping berths? The seating lounge can be converted in a flash
• 495 QSK | Blue Lagoon

Colourful well-being is no problem in this seating lounge
• 495 QSK | Green Paradise

1 A large, U-shaped seating lounge, plenty of storage space; and all available in four different upholstery styles

2 Open washing area with attractive sink

3 Plenty of space as standard in the 137-litre fridge including 15-litre freezer (depending on layout)

SLEEPING

Relax and enjoy the view

Many windows for a perfect view are included in every c'go layout. The front bed area can be equipped with a large window or a cosy corner with no window.

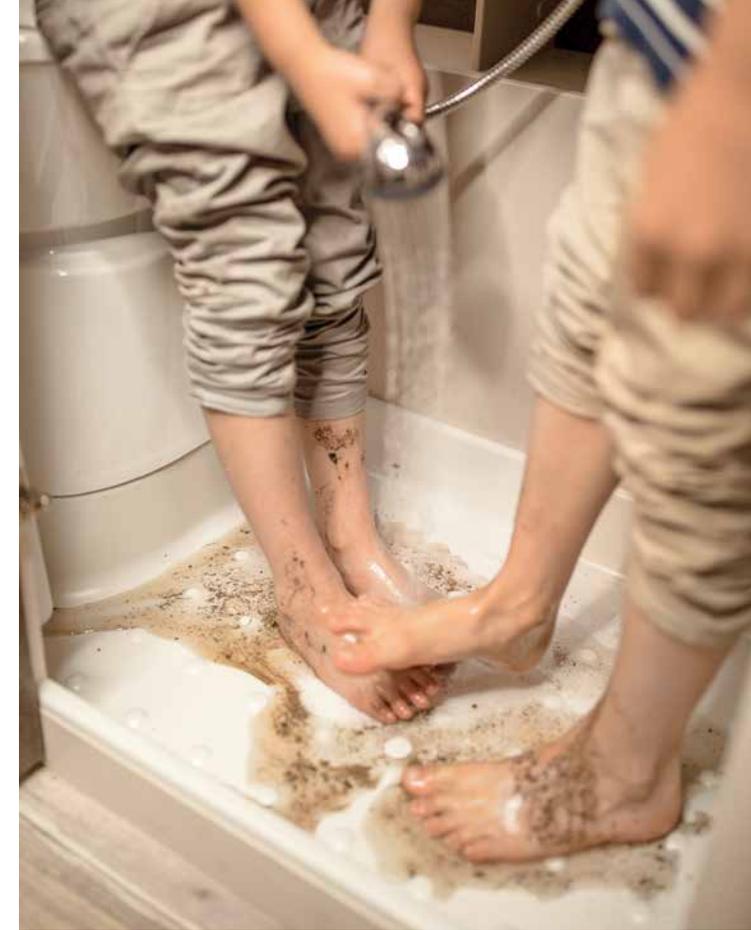

Your c'go is available in four different bunk bed layouts. And if that is not enough, you can even opt for three bunk beds
• 495 QSK | Blue Lagoon

BATHROOM

Start your day refreshed

Comfortable bathroom thanks to the open washing area with large mirror • 495 FR | Sunshine

All cleaned up in no time! There is always time for a shower in the c'go: an optional shower is available for all layouts

COOKING

Cooking for every family member

All the kitchen you need: spacious overhead lockers and roomy drawers with soft-close system for plentiful storage space • 495 FR | Sunshine

Your c'go is equipped with a 3-burner hob, sink and fridge with freezer compartment
• 495 QSK | Blue Lagoon

The kitchen in the c'go boasts a modern design with plenty of space for all kinds of kitchen utensils
• 525 KR | Blue Lagoon

C'GO & C'GO UP Highlights

You can find the full specification for the C'GO & C'GO UP models in the separate technical information or at www.dethleffs.com/cgo

Practical 3-burner hob with electrical ignition

The special slatted frames can be configured for optimal use of the available storage space

Attractive sink

Safety as standard: AKS stabilizing coupling

Practical chest of drawers in the entrance area (depending on layout)

Cold foam mattresses as standard on all fixed single and double beds

Gas bottle locker for 2 x 11 kg bottles with base made of rot-proof, sturdy aluminium chequer plate

Power-saving LED awning light

C'GO UP

All the beds fold up!

208 cm
interior
headroom **UP!**

The comfortable pull-down bed (200 x 140 cm) for two adults can be folded down with one hand. If that's not enough, two additional sleeping berths can be conjured up in the convertible seating lounge
• 525 KR | Blue Lagoon

There are cosy bunk beds for smaller campers • 525 KR | Blue Lagoon

As soon as the pull-down bed is stowed under the roof, your c'go up is ready for the day's activities
• 525 KR | Blue Lagoon

Bad weather? Then just let the kids play happily in their own children's area
• 525 KR | Blue Lagoon

Our promise:

**Reliability,
Comfort &
Service**

Bon voyage!

No matter which Dethleffs is right for you, all our vehicles focus on two things – ensuring your safety and comfort on the road, and that you will enjoy your travel companion for many years to come.

Which is why, for many years, we have made sure that you are always comfortable and safe during your travels with innovative ideas such as our proprietary SleepWell system, Airplus ventilation, Winter Comfort Packages and other clever components.

Our original accessories range also includes high-quality spare parts and clever accessories for caravanners.

So start your next travel adventure with us – we look forward to welcoming you to the Dethleffs family. And if you ever need help, our comprehensive dealer and service network is standing by to provide fast and straightforward assistance.

RELIABILITY

With every weather condition

The Allgäu is home to the hardest winters – and since 1931, also to us! As we still have real winters, we mostly know what is especially needed for winter camping. All Dethleffs caravans are suitable for winter use as standard. With our ingenious Winter Comfort Packages your caravan becomes winterproof and can easily master very harsh conditions like ice and snow. This winterproof equipment ensures the bitter, cold nights are cosily warm inside your caravan.

Stay safe throughout the cold season with a winterproof caravan equipped with the Winter Comfort Package from Dethleffs

A holiday home parked right next to the ski slopes, with a warm and cosy interior just like home

Suitable for winter use: at an outside temperature of 0°C, the vehicle's interior can be permanently heated to 20°C.

Winterproof: it must be possible to heat a completely cold vehicle from -15°C to +20°C in just four hours.

Detailed information about our winterised caravans can be found at: www.dethleffs.com/the-winter-specialists

Your safety is of utmost importance to us and that is why we use reliable, branded vehicle components, trusted for many years. All our caravans are also designed for speeds of up to 100 km/h / 62 mph. And the optional Dethleffs Safety Package takes your safety up another gear – thanks to a stabilising system, crash sensor and smoke detector.

Stay safe on the road thanks to Dethleffs safety equipment and regular driver training courses

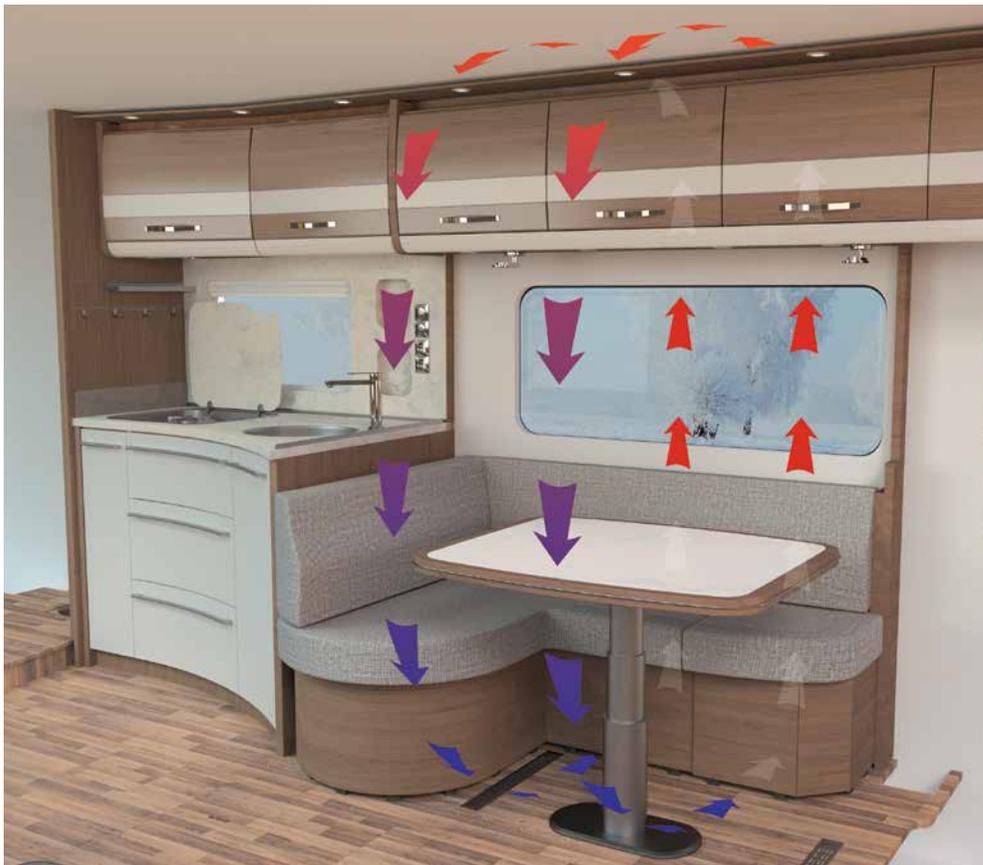

The Dethleffs Safety Package is available as an optional extension and offers maximum safety.

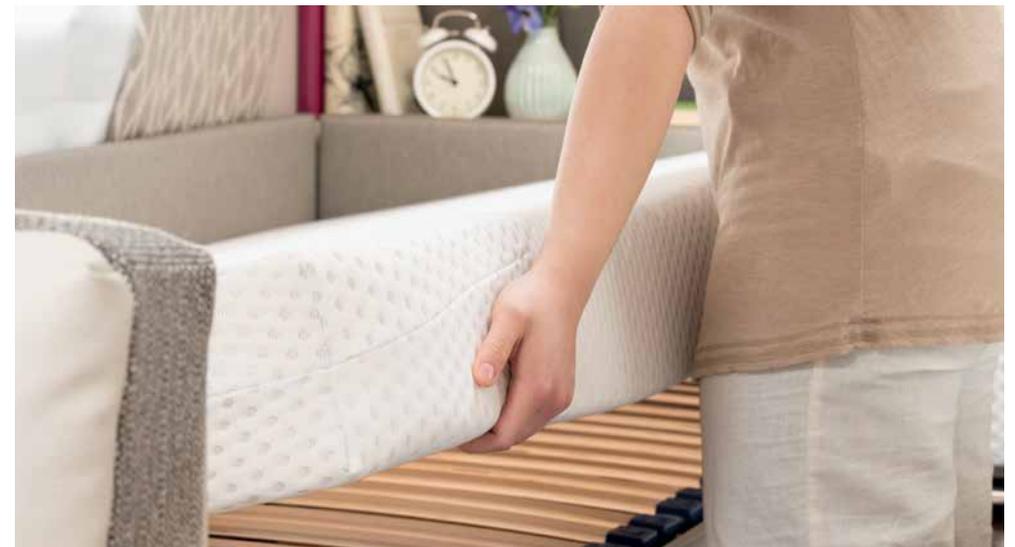

All possible comfort

Wherever warm air cools quickly, moisture is generated – in a caravan, this primarily occurs on the exterior walls during very cold weather. The AirPlus system provides rear ventilation for the overhead lockers, which helps the air to circulate inside the caravan and prevents condensation from the outset. The result is healthy room air without mildew formation or mould spots.

Your home on wheels needs to provide the same comfort level as your home. Restful nights are guaranteed thanks to the Dethleffs SleepWell system.

AirPlus ventilates the overhead lockers and thus prevents the formation of condensation

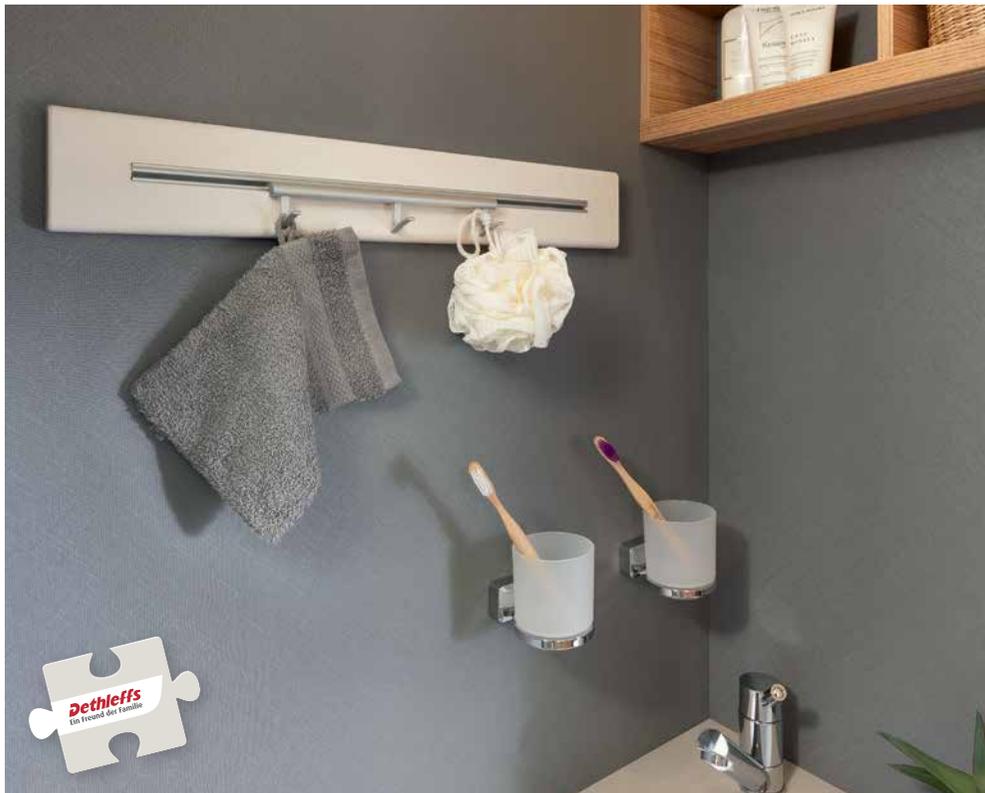

With flexible slat frames and ergonomic 7-zone mattresses you will sleep like on air

Online you will find more information about the Dethleffs SleepWell system.
Simply visit: www.dethleffs.com

It's all on board. Dethleffs Original Accessories

Everything in its proper place! With the retrofittable Dethleffs multifunctional rail, you can now enjoy all the advantages of the clever organisation system from Dethleffs – even if the rail is not fitted as standard in your vehicle!

Life meets style – the fashionable Dethleffs hoodies, jackets and caps are a must for every camping ground. High-quality materials and chic designs ensure pleasant wearing comfort. Whether it suddenly gets cool in the evening or the day turns out warmer than expected – you are always perfectly equipped with the Dethleffs Lifestyle Collection. This stylish collection is rounded off by our Kids-Club products, which the little ones will simply love. All garments are embroidered with the Dethleffs logo – exclusively for our Dethleffs family.

SERVICE

Maximum comfort and safety – these are the right ingredients to make you feel completely at home in your mobile home. We therefore offer a range of original accessories for your vehicle, all of which fit perfectly and are ideal enhancements – from cuddly accessories to protective devices and ways to perfectly organise your caravan.

From dashboard insulation to decorative trim, we make your caravanning experience unique and comfortable. You can easily order matching accessories from your dealer and have them retrofitted if necessary. Some items can also be ordered online and delivered directly to your home.

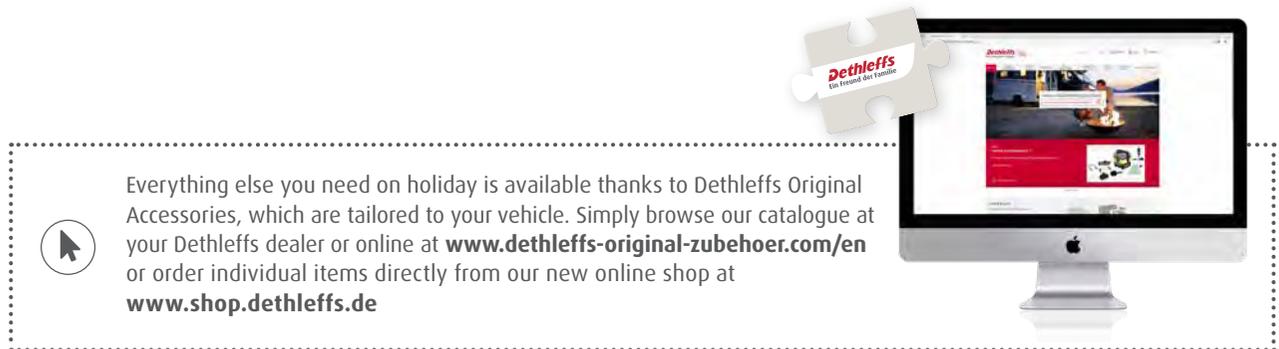

At www.dethleffs-original-zubehoer.com/en you will also find our online shop with exciting offers and promotions.

Additional storage space under the caravan – thanks to waterproof storage bags that are retracted inside the ground apron by means of special piping

Dethleffs E-Connect – via the app you can conveniently view detailed vehicle information on your smartphone. Monitor tyre pressures, the correct orientation of your caravan or motorhome, the temperature in the fridge, and much more ...

Everything else you need on holiday is available thanks to Dethleffs Original Accessories, which are tailored to your vehicle. Simply browse our catalogue at your Dethleffs dealer or online at www.dethleffs-original-zubehoer.com/en or order individual items directly from our new online shop at www.shop.dethleffs.de

Many thanks for your interest in our premium caravans.

For further information please contact your local dealer:
www.dethleffs.de/en/dealers/.

Subject to change, errors excepted. Please note that the pictures in this catalogue may depict alternative designs or options that are available at extra cost. Detailed information about specifications and equipment can be found in the technical information. Colour deviations due to the printing process are also possible.

Our thanks for their support and decorating the vehicles goes to:
