

c'joy

Less is more fun!

Less weight, lower price, pure caravan joy! The c'joy has everything for living the freedom. Thanks to its compact size and low weight it is suitable for smaller cars and depending on the towing vehicle, it can be driven with a Class B driver's licence. In spite of its compact size, the c'joy has lots of space for two or even more passengers – all at an affordable price. Now the holidays can begin!

Upholstery

+ Portobello

+ Clipper

Wood décor

+ Sambesi Oak

Technical info

Maximum authorised weight*	1.100 – 1.200 kg
Length (incl. draw bar)	614 – 716 cm
Width	212 cm
Height	261 cm
Sleeping berths	3 – 7

*Maximum value depends on layout and weight upgrade

c'joy plus factors

- + The perfect caravan for beginners: great value and there is everything you need in there
- + No fear of narrow passages: One of the narrowest caravans in its class with 2.12 m width
- + Lightweight: It can be towed with a small car with standard driver's licence of Class B (depending on towing vehicle)
- + Protects you from bad weather: roof, front and rear made of robust GRP
- + You don't have to make compromises: you can bring as much as you need because of lots of storage space and high load capacity

Standard specification

Chassis

- System lightweight chassis
- Zinc-plated chassis with inertia braking system with reversing automatic
