PAGE 92

**RELIABILITY &  
SERVICE**

**IN GOOD HANDS**

Your reliable and fair partner.

PAGE 100

# Bella Italia

Let's enjoy "La Dolce Vita" - just the two of you with a glass of wine on the terrace, enjoying the views, or shopping in the local markets... Italy is there to be loved!

# C'JOY

## PLUS FACTORS

- + The perfect caravans for beginners: affordable and with everything you'll ever need on board!
- + Never fear the narrow streets: one of the smallest caravans in its class with 2,12 cm of width
- + Lightweight: so light and can be towed with a small car with usual driver's licence of Class B (depending on towing vehicle)
- + Protects from unusual weather conditions: roof, front and rear made of robust GRP
- + You don't need to compromise: much storage room and a high payload for all items you need for holidays

# Less is more fun

» Low weight, low price, pure caravanning joy. The c'joy has everything for living the freedom. Thanks to its compact size and low weight it is suitable for smaller cars and, depending on towing vehicle, it can be driven with a Class B driver's licence. In spite of its compact size, c'joy has lots of space for two or even more passengers – all at an affordable price. Now the holidays can begin!

» Refueling makes happy. The c'joy is a lightweight caravan with below 1000 kg and that is visible on the refueling receipt.

» It is unbelievably slim! With a width of 2,12m the c'joy belongs to the smallest caravans of its class and drives safely on narrow streets.

COOKING

## Pasta bolognese alla mamma

» Small kitchen very big: with 3-flame cooker, stainless steel sink and a lot of storage room // 390 QSH | Clipper

» This c'joy is perfect for a tour for two. After the dessert the city discovery can start // 410 QL | Portobello

# That is the real holiday feeling

» Practical: the lounge can be easily converted to a lie-down area // 410 QL | Portobello

» A good breakfast in a cosy winter garden increases the moods in the early hours and prepares for a great day // 460 LE | Portobello

» No compromises while being away. The c'joy offers a lot of space for holiday dresses and all things you don't want to leave behind. There are many storage compartments and wardrobe space for all your clothes // 390 QSH | Clipper

## Chill-out area

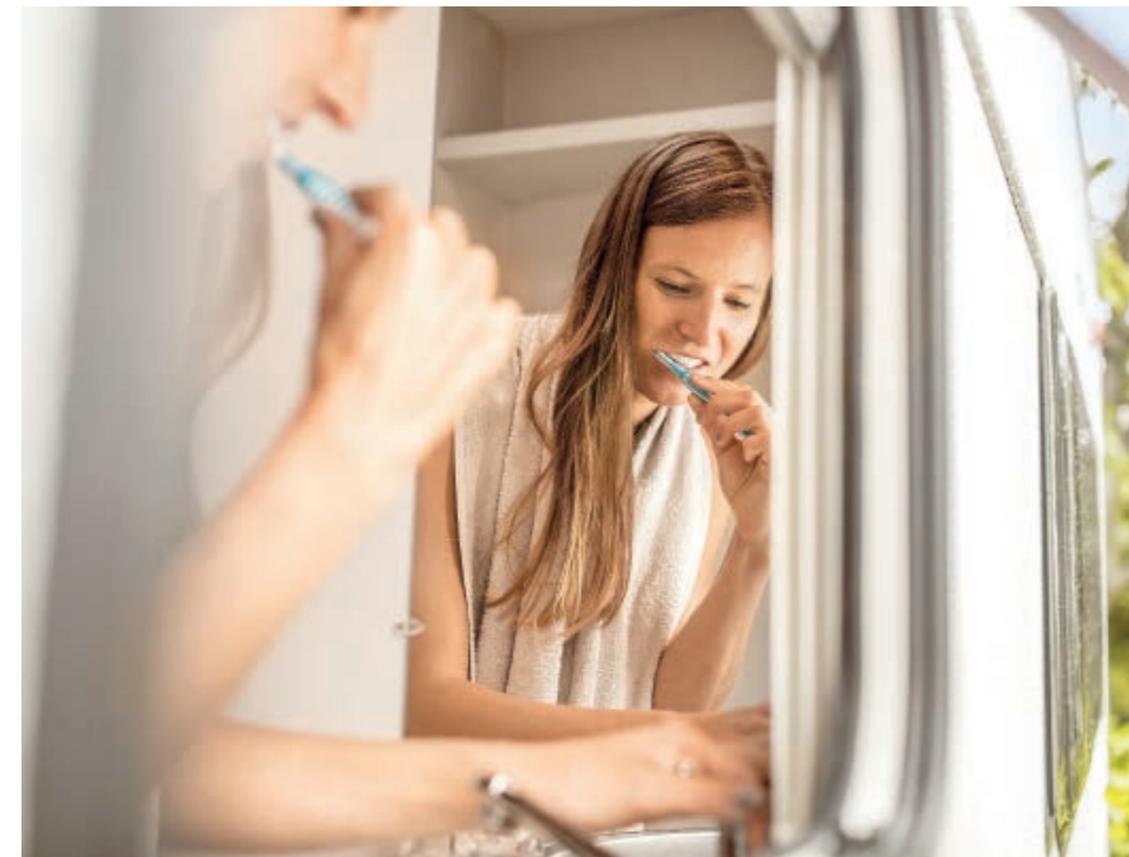

» Finally the relaxation can begin and the morning sun will wake you up. Both single beds can be converted to a large double bed in a blink of an eye // 460 LE | Portobello

## Refreshment

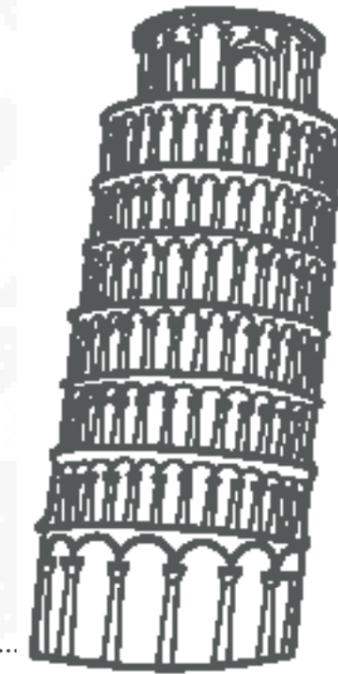

» In the c'joy you don't need to do without the bathroom. Here you can refresh yourself for the day // 410 QL | Portobello

# Variety of choice

Rifflled sides, White (standard)

390 QSH  
3 sleeping berths

410 QL  
3 sleeping berths

460 LE  
3 sleeping berths

480 QLK  
7 sleeping berths

Compact, affordable and space for up to 7 persons! More information at: [www.dethleffs.com/caravans/cjoy](http://www.dethleffs.com/caravans/cjoy)

The maximum of sleeping berths includes the lounge convert, the three bunk beds' option and some optional extras.

# Your selection of soft furnishings

Clipper

Portobello

Sambesi Oak

or in the separate technical specification brochure

# Join us for olive harvest in Croatia

» In Istria the harvest is done traditionally with a rake. This love for the olive is reflected in the taste. If it is about the olive oil you will find the best one here.

# C'GO

## PLUS FACTORS

- + Suitable caravan for every taste: the layouts offer a wide range for small and big families
- + Fresh look: chic, modern interior design and a colourful soft furnishing selection for individual taste
- + Protects from every weather condition: roof, front and rear made of robust GRP
- + Nothing needs to be left at home: so much storage space and a high payload gives you the possibility to take everything you need with you
- + Lightweight: so light and can be towed with a Class B driver's (depending of towing vehicle)

# Caravan to go

» The c'go inspires to pack your luggage and to go on tour. It looks modern and fresh, is available in four trendy soft furnishing designs and offers a wide selection of layouts: from the smallest compact one to the spacious family caravan. That makes it to an ideal journey companion and very popular with young couples and young families. No wonder! This caravan comes with an attractive price! When do you start?

» Simple handling and security for the whole family are the most important features of the c'go: thanks to the Dethleffs safety components. They help in dangerous situations and provide better driving features. More safety can be installed with the optional package "Safety to go".

» Stay at the place where you want to stay. That is no problem with the optional Autarkic package.

COOKING

## Cooking for every family member

» Your c'go is equipped with 3-burner hob, sink and a fridge with freezer compartment (depending on layout) // 495 QSK | Blue Lagoon

» The kitchen is a real room wonder. Spacious kitchen overhead lockers and roomy drawers with Softclose system for plentiful storage space // 495 FR | Sunshine

# Cosiness without compromises

» Totally flexible: comfortable get togethers or additional sleeping berths? In a flash the lounge can be converted to bed // 495 QSK | Blue Lagoon

» Colourful well-being is no problem in this lounge // 495 QSK | Green Paradise

» A large U-shaped lounge, a lot of storage room: all that is available in four different soft furnishing designs // 495 FR | Sunshine

SLEEPING

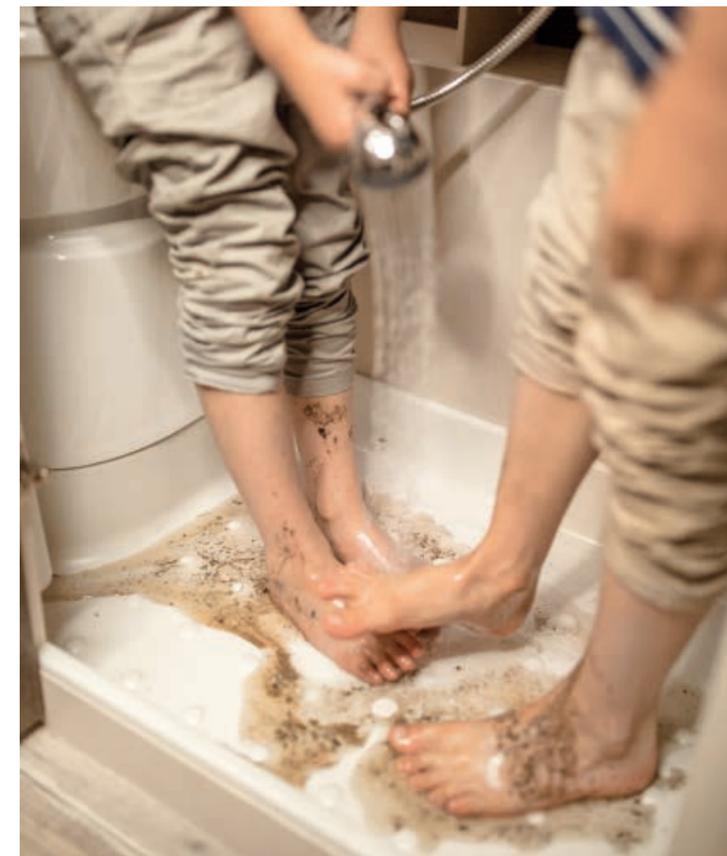

Relax and enjoy  
the view

» Many windows for a perfect view are on board in every c'go layout. The front bed area can be equipped with a large window or with a cosy corner with no window

BATHROOM

Start your day  
refreshed

» In a flash clean again. Those of you who want to take a shower in the c'go can opt for a shower package

» Comfortable bathroom thanks to the open washing area with a large mirror // 495 FR | Sunshine

» Your c'go is available in four different bunk bed layouts. And if this is not enough you can opt for three bunks // 495 QSK | Blue Lagoon

# Variety of choice

## Fresh mountain air of Allgäu

» Mountain meadows full of dandelions shine in full yellow, the scent of wild flowers, grasses and herbs invite you to linger. And also the melodious ring of cowbells – all that makes the Allgäu the perfect holiday region for the whole family.

# CAMPER

## PLUS FACTORS

- + Enough space for every child: a selection of family layouts with bunk beds
- + Safe is safe: exemplary Dethleffs safety equipment
- + Standard from the start: begin your holidays immediately thanks to the extensive standard equipment
- + Modern interior: three timeless soft furnishing designs to choose from
- + Meets every demand: also short caravans below 7 m of total length available

# Real holiday love

» With its extensive standard equipment, abundant storage room and a wide range of bunk bed layouts, the Camper is the ideal caravan for all those of you who love adventure. The standard safety equipment enables carefree travelling comfort. Modern safety components include: high-quality branded chassis, axle shock absorber and stabiliser. Self-adjusting Premium Brake is installed from the start for shorter braking distance and is a real plus factor on safety.

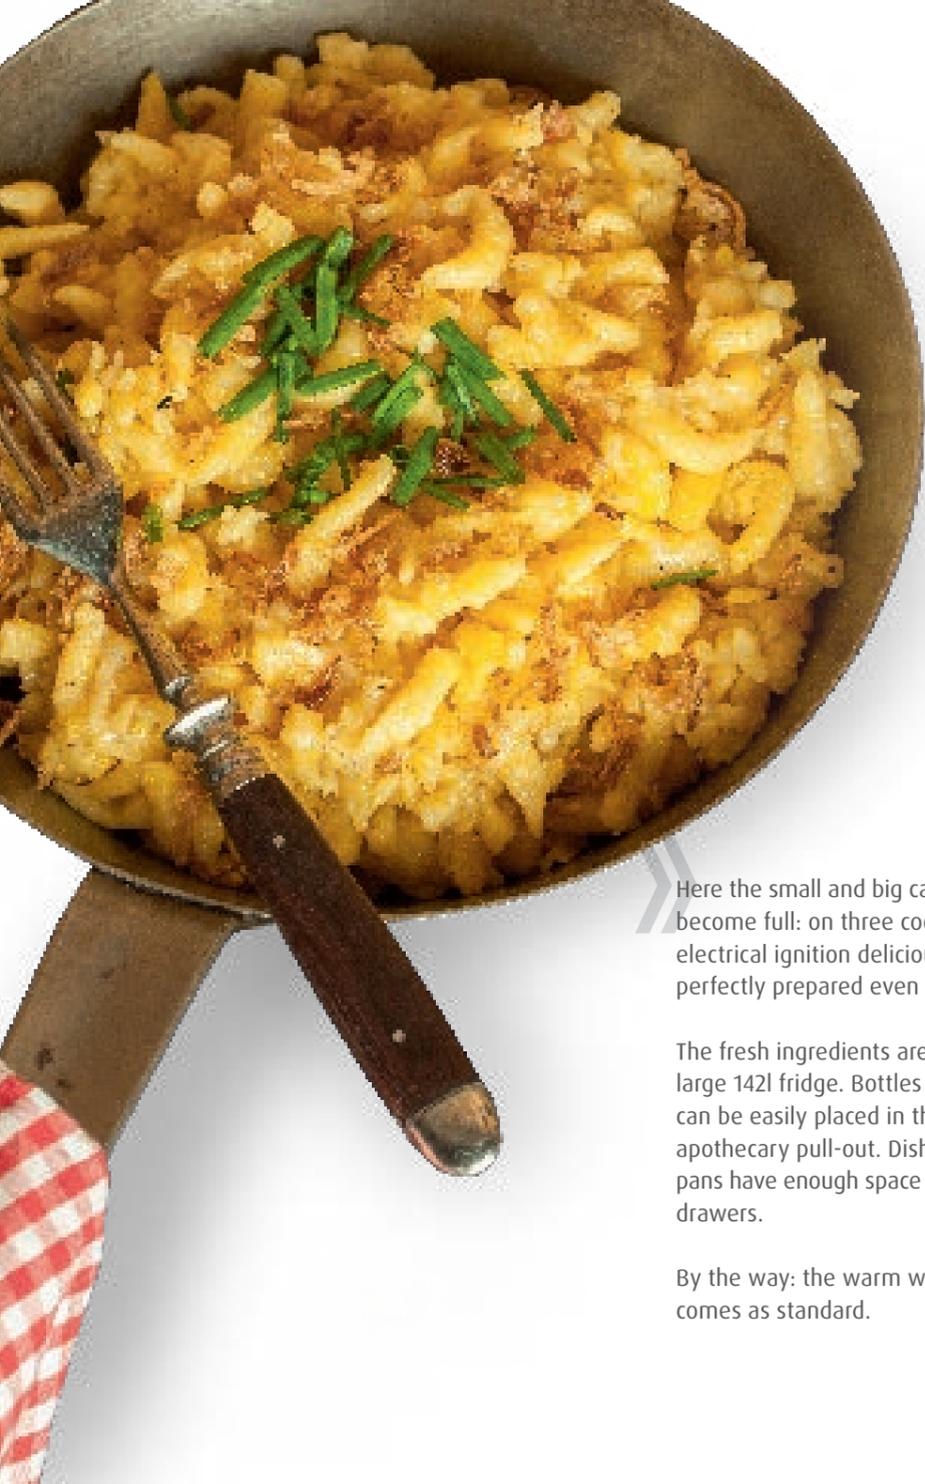

» Camper has everything on board to start your holiday now.

» If it is the warm water supply, flyscreen door, large Panorama skylight and robust GRP roof - Camper just provides more for you!

COOKING

## Holiday kitchen made easy

Here the small and big caravanners become full: on three cooking hobs with electrical ignition delicious meals can be perfectly prepared even for a big family.

The fresh ingredients are stored in the large 142l fridge. Bottles and spices can be easily placed in the practical apothecary pull-out. Dishes, pots and pans have enough space in voluminous drawers.

By the way: the warm water supply comes as standard.

Practical, yet stylish kitchen with large drawers and apothecary pull-out for bottles // 550 ESK | Catania

We are a friend of the family! Camper ranges offer a wide selection of bunk bed layouts. A third bunk bed is optionally available on most models // 550 ESK | Catania

## Real holiday feeling

» The pulse is increasing, the heart is beating faster, the Camper is winning hearts one after the other. The secret: its inner values, offering living solutions for the most different requirements. Plentiful storage room makes this the perfect leisure time base for active holidays. Camper models provide a lot of space for families or spontaneous visitors. The seating lounge can be quickly converted to a cosy double bed thanks to the telescopic one-leg table. And if you need even more space you can have a closer look into the XL variant of the Camper: the twin-axle models with 2,5m of width and over 8m length (e.g. Camper 740 RFK) which offer the comfort and elbow room of a holiday apartment on wheels!

» The practical one-leg telescopic table provides a lot of leg room in the lounge. Converting to a sleeping area is quick and easy // 540 QMK | Cosmo

# A friend of the family

» The Camper range is available in many family friendly layouts, with dedicated children's space and large, steady bunk beds with comfortable 7-zone cold foam mattresses. The bunk beds can be loaded with 80 kg, meaning they're good for adults, too! For even more space the lower bunk beds can be folded away upwards (not possible with the optional third bunk bed). With lengthwise installed bunk beds a big playground can be created in the interior. Our transverse bunk bed layouts feature a rear garage where you can store your bulky holiday items.

» The comfortable single beds can be converted to a huge double bed, if desired (option) // 550 ESK | Catania

» Big families watch out! Instead of the seating lounge you can opt for two bunk beds // 730 FKR | Bolivia

» Two bunk beds are not sufficient? You can opt for a third bunk bed // 540 QMK | Cosmo

# Wellness Oasis

» The Camper offers a lot of elbow room in its bathroom - for washing and dressing // 540 QMK | Cosmo

» Next to the large bed there is the spa area: a toilet room with shower as the alternative variant of the bathroom (option) // 730 FKR | Bolivia

## Fished in the North

Strong Fjords, thundering water falls, snow covered mountains, picturesque villages – and of course fresh fish. Let's inspire you with the fascinating nature of the North!

# NOMAD

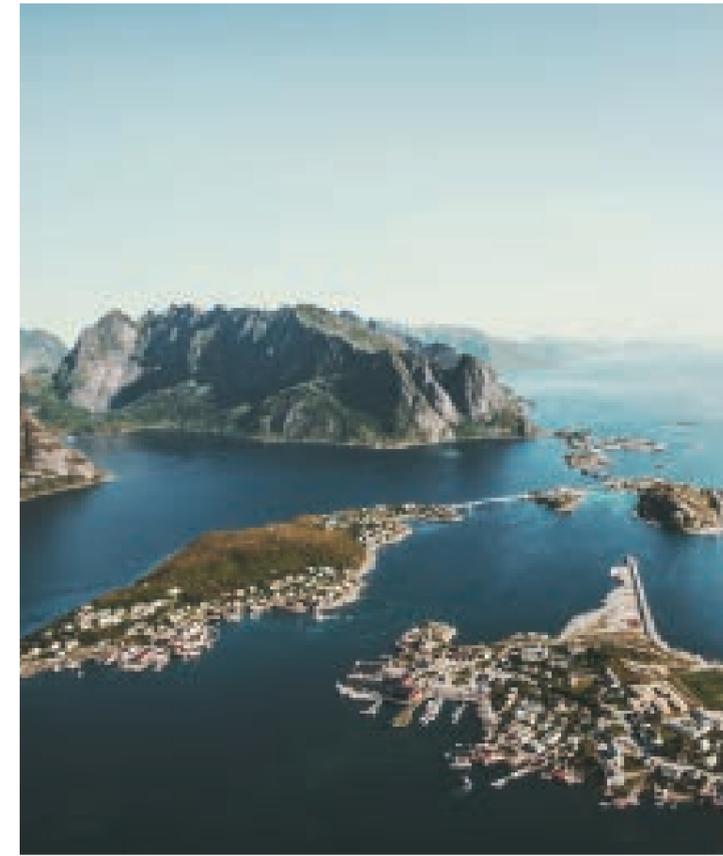

## PLUS FACTORS

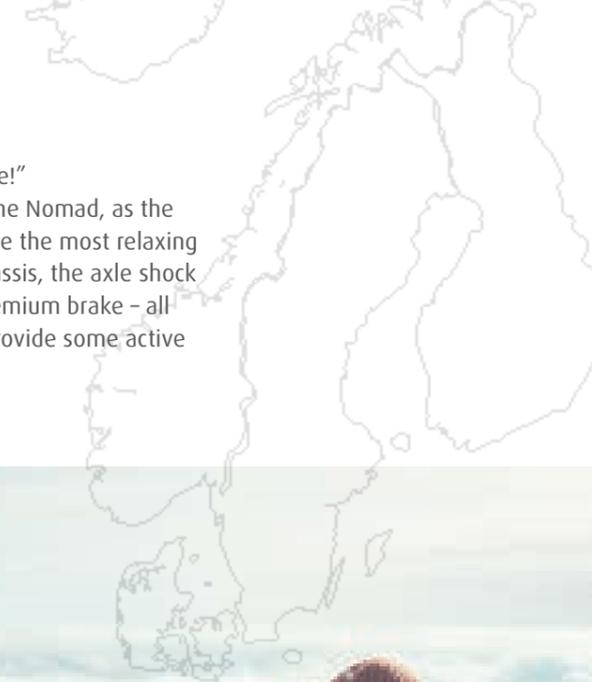

- + For everybody the best match: large selection of double and single beds layouts
- + Good kit as standard: ready to go thanks to extensive standard equipment
- + Well-being atmosphere: exquisite, elegant living room design with atmospheric light concept
- + Restful sleep: thanks to SleepWell system with 7-zone cold foam mattress
- + Cooking as at home: excellently equipped Gourmet kitchen

# Experience pays off

» The Nomad has been one of the most popular models within the Dethleffs programme for years. With elegant interior, extensive standard equipment and stylish detail solutions it is the perfect caravan for demanding travellers. Whether a narrow travelling caravan or a big luxurious twin-axle – the Nomad offers a wide range of well thought out living solutions for couples that travel alone. And even if visitors are invited additional sleeping berths can be quickly provided.

» "The holidays start when you are about to leave!" This caravanning commitment also applies to the Nomad, as the modern chassis technology lets the travelling be the most relaxing experience. If it is the high-quality branded chassis, the axle shock absorber, the stabiliser or the self-adjusting Premium brake – all components optimally match each other and provide some active driving security.

COOKING

## Cooking point for North men and women

» The chic Gourmet kitchen offers cooking fun on three cooking hobs with electrical ignition. A practical apothecary pull-out and large drawers carry amounts of kitchen utensils.

» Spacious kitchen with practical apothecary pull-out, 142l fridge and 3-flame cooker with electrical ignition // 530 DR | Casa

» Fresh edibles are stored in the large 142l fridge, wine bottles and water bottles up to 1,5l find their place in the roomy door compartment. Additional comfort feature: the standard warm water supply // 650 ER | Casa

# Comfortable Nomad life

» In 1954 Dethleffs presented the Nomad for the very first time. The caravan quickly built a loyal fan base with its convincing quality and noble interior. The current models build upon these solid core values and appeal with their high-grade details. Cushions with attached pillows invite you to linger. The one-leg telescopic table provides ample leg room. Special accents such as a window in the living door, ambient lighting, chic furniture design and solid surfaces make the Nomad stand out from the crowd.

» They have a brilliant look and provide restful sleep: attached cushions in the seating lounge. The ambient lighting provides extra cosiness // 530 DR | Casa

» The fold sliding door separates the sleeping area from the living room // 650 ER | Casa

» More living comfort: optically the bar separates the kitchen from the living area // 590 RF | Orbit

## First class sleeping comfort

» First class sleeping comfort for restful nights is promised by the SleepWell system, with high-quality 7-zone cold foam mattresses on all fixed beds and bunk beds. Together with the ergonomic springs creating a refined sleeping system for a deep and good sleep. All single beds are connected by cushions in head and shoulder sections. Our ergonomic design is ideal for those who sleep on their front, too!

» Two 95 cm wide single beds provide restful sleep and can be easily converted to a double bed // 650 ER | Casa

» The large double bed can be accessed from three sides comfortably and safely // 530 DR | Casa

## Spacious bathroom

» Start your day refreshed. In the bathroom you will find everything you need // 530 DR | Alta

» The open bathroom provides a lot of headroom // 590 RF | Orbit

## The charming Switzerland

Excellent perspectives on the unique world of mountains and culinary delights like the Swiss chocolate or the fondue make Switzerland your next holiday destination.

# EXCLUSIV

## PLUS FACTORS

- + Exclusive ambience: ambient lighting and illuminated kitchen splash wall
- + Exclusive design: exterior with chic details like A-frame cover, Chrome strips and illuminated LED surrounding strip on the side of the awning
- + Easy entrance: Coupé entrance with extra wide entrance door with window
- + Gourmet holidays – simple: GourmetPlus kitchen with four powerful burners and lots of space for cooking
- + Large selection: finely sewn textile soft furnishings or leather upholstery (option) as combination possibilities for the noble wood décor

# 5-star caravanning

» Get out into nature, enjoy the fresh wind and air but with style and no compromise on comfort. That is what Exclusiv stands for. High-quality materials, modern overhead locker doors with 3D decoration elements, dimmable and ambient lighting and beautiful details give some aesthetics and comfort. Pure cooking fun is promised by the GourmetPlus kitchen. The dimmable illumination in the living area and the corner head rests in the lounge invite to lay down and relax and enjoy the stylish evenings. The stylish ambience outside is highlighted by the illuminated Chrome decoration strip over the complete sidewall. When you love comfort you also will love the Exclusiv.

» The Exclusiv provides a good atmosphere outside. That is ensured by the illuminated Chrome decoration strip on the awning side and you can enjoy beautiful nights in the nature with atmospheric ambience

COOKING

## Star kitchen for Gourmets

» The distinguished GourmetPlus kitchen with four powerful burners invites culinary discovery. Holiday Gourmets need a lot of space for chopping, filleting and sautéing. And there is more than enough room to do so – thanks to the fold-out, robust worktop. Freshly caught fish can be stored in the large fridge/freezer combination. The appetiser waits for its cocktail hour, well cooled in the bottle compartment. All the accoutrements: vinegar, oil, spices and herbs in good hands if you store them in the apothecary pull-out. Spacious drawers offer ample space for dishes, pots and pans.

By the way: the indirect light sources not only provide glamorous atmosphere – they also illuminate the roomy drawers.

» Quick step to the market and then cook like chefs in the GourmetPlus kitchen (with illuminated splash wall) // 560 FR | Castello

» The spacious U-shaped lounge with a steady, height-adjustable one-leg telescopic table invites to a romantic dinner for two // 760 ER | Fascino

# Fresh wind in the luxury caravan

» The optional frame windows provide an optimal insulation even with freezing temperatures

» Enjoy the room, style and luxury in these roomy designed layouts. The elegant interior, seductive ambience and wraparound lounge has the interior design of a yacht. Thanks to the wide entrance door and the lowered Coupé entrance step you comfortably enter your home on wheels. Soft, supple cushions in fabric or leather invite you to take a seat in the lounge. With the dimmable light concept a wonderful ambience can perform miracles.

» Supple leather cushions and dimmable, indirect light sources for a special and cosy ambience // 560 FR | Castello

» The holistic light composition underlines the interplay of the high-contrast surfaces and materials // 760 ER | Lavin

# Sleeping on air

» The 7-zone cold foam mattress has been developed for the highest demands, if desired with a soft, climate-regulating support. It optimally supports the body and provides a wonderful cooling effect while falling asleep. Have a good night!

» The comfortable additional cushion enables more space in shoulder sector and is standard for all single beds // 550 ER | Lavin

# Wellness Oasis

» Two doors create your individual spa area in your caravan - with lots of elbow room and integrated wardrobe // 760 ER | Lavin

# Variety of choice

# Inspires with lightness. The new Coco.

Additional information can be found at:  
[www.dethleffs.com/caravans/coco](http://www.dethleffs.com/caravans/coco)

» Lightness at the highest level: at only 708kg, nothing compares to the lighthearted joy of travelling with the new Dethleffs Coco. For this reason, our lightweight experts have combined the most effective and possible solutions in our competence centre and created a revolutionary construction approach. It is based on the optimal interaction of single components, such as the chassis, the floor, and the sidewall. The Coco: travelling with lightness and joy!

With relaxation factor

*wrap up and relax!*  
*charming, attractive*  
**cocooning + comely = COCO**

» Eating, relaxing or sleeping? Have the best of everything! In just one easy step the lounge area transform into a cinema, sofa or bed // Lounge | Waterfall

The lines are clear, the colours fresh, the layout flexible. The Coco is not your usual caravan // Lounge | Waterfall

# FRIENDSHIP & FAMILY

# “Not without my family”

» Arist Dethleffs, the inventor of the caravan was a family man. He wanted to take his small family with him while being away on trade trips. In short he invented the “living car” for travelling together. Adapted to the wishes and requirements of his family. The caravan functioned as the atelier for his wife Fridel.

We have been honing and perfecting Arist's original, groundbreaking idea of the ‘rolling home’ for over 87 years. And at the core of our development is the vision: **FAMILY and its needs.**

🖱 The eventful story with many interesting images from over 87 years of Dethleffs Caravanning are presented on: [www.dethleffs.com/history](http://www.dethleffs.com/history)

# With bag and baggage or time for two?

» Holiday time is family time. It doesn't matter what makes your family unique, Dethleffs will offer you the best travel companion. We have been searching for 87 years for the best solutions for families. Choose the perfect match for you from our portfolio of 57 models. Which is your favourite look? The Scandinavian freshness or the warm, muted colours? Do you prefer to stay away for a longer time or do you like short city trips? Do you need maximum space for your XXL family? Or do you need a compact home-from-home? Of course, we also have taken into account your four-legged friends!

» Travel elegantly and safely, with every conceivable comfort

» We're not just Family-Friendly, we're Pet Friendly, too! Look out for our Dog-on-Board package

» Empire of children!? 21 bunk bed layouts and up to eight sleeping berths optionally available

# Dethleffs Family Foundation

» A good friend is there when help is needed. And in the camping family everybody helps each other. That is the reason why we support some projects which are related to families who are in need. For example with cost-free camping holidays in permanent camper caravans. Or the rolling kitchen for healthy eaters. In addition we support the the Teenage Camp of Pater Berno in Romania.

Help with us! Donate for our projects and make the families in need happy.

**Dethleffs Family Foundation**  
 Arist-Dethleffs-Str. 12 • 88316 Isny i. Allg.

 [www.dethleffs.com/family-foundation](http://www.dethleffs.com/family-foundation)

» The rolling kitchen teaches the children the way of healthy nutrition

» Santa Claus visits orphanages every year and make the childrens' eyes light up again

» In the Teenage Camp of Pater Berno (†) the Romanian children get new perspectives

# Welcome to the family!

As a Dethleffs owner you automatically belong to the big Dethleffs family. During our Family Meet & Greet events in Isny you will get to know the city of Arist Dethleffs. While being together we exchange views and spend wonderful hours on trips and celebrations. (Provided that you are member of one of the official Dethleffs Clubs)

# RELIABILITY & SERVICE

## The cradle of the caravan

» Arist Dethleffs was a typical “Mächeler” – this word from the Allgäu describes a tinkerer with heart and mind. The craftsmanship here is tradition, no wonder, that the cradle of the caravans stands in Isny. For over 87 years we have been continuing the vision of the “living car” in Isny. In doing so the reliability of the vehicles still takes centre stage – high-grade components, careful production and permanent quality checks make sure that your vehicle “made in Allgäu” faithfully accompanies you.

» “Always better” is the motto of the Dethleffs production. Modern technology and experienced, motivated employees produce reliable, high quality

## All possible comfort

» Your home on wheels needs to have the same comfort as at home. Restful nights are guaranteed by the Dethleffs SleepWell system.

When cooking you do not need to compromise while being away from home. The Gourmet kitchens come with all the required appliances you need for cooking delicious meals. Warm water supply comes as standard (from Camper range). And when washing the dishes the old camping rule applies: one does the cooking and the other washes up!

Online you will find more information about the Dethleffs SleepWell system:  
[www.dethleffs.com/sleepwell](http://www.dethleffs.com/sleepwell)

» Cooking like an expert in the GourmetPlus kitchen (Exclusiv)

» With flexible slat frames and ergonomic 7-zone mattresses you will sleep like on air

# With every weather condition

» The Allgäu is the homeland of the hardest winter – and since 1931 also ours! As we still have the real winters, we mostly know what is especially needed for winter camping. All Dethleffs caravans are suitable for winter use as standard. With the ingenious Winter Comfort packages your caravan becomes winter proof and is perfect for using during hard conditions like ice and snow. With this winter-proof equipment the bitter cold nights will become comfortably warm in your caravan.

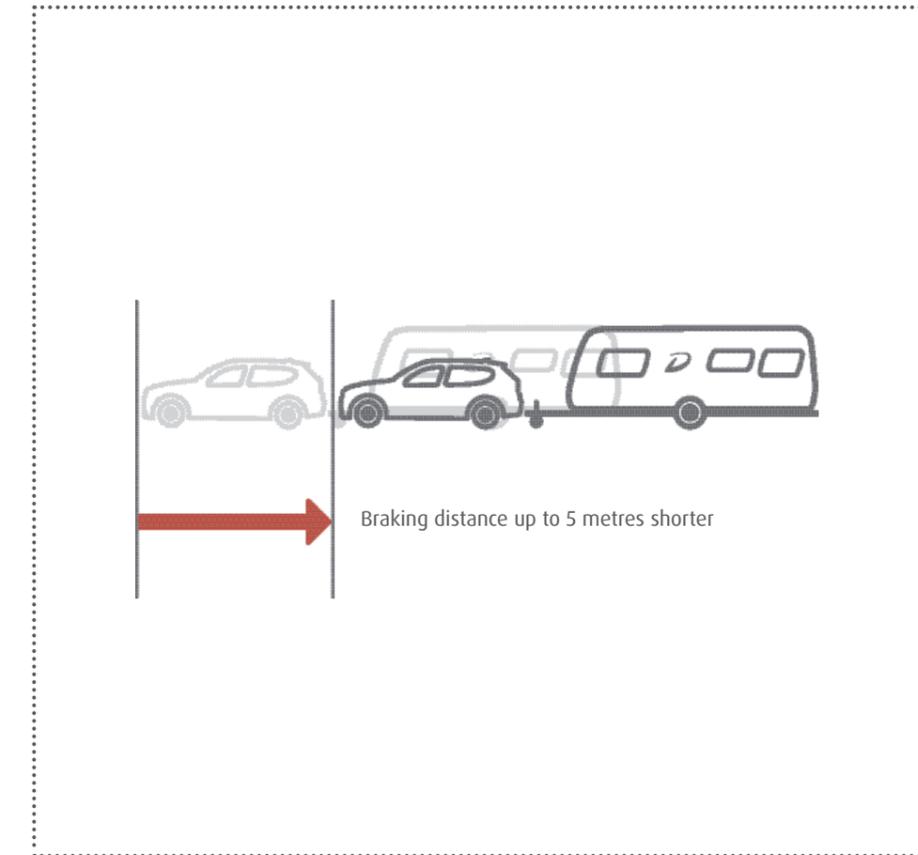

**Suitable for winter use:** outdoor temperature of 0°C the inner room can be warmed up to 20°C.

**Winter-proof:** a completely cooled down vehicle must heat up within four hours to +20° at -15°C outdoor temperature

Additional information about our Winter caravans can be found at:  
[www.dethleffs.com/winterproof](http://www.dethleffs.com/winterproof)

# But safe!

» Thanks to the AAA Premium brake the braking distance gets shorter

» Your safety is of utmost importance to us and that is why we use reliable, branded vehicle components, trusted for many years. All of our caravans are designed for a speed of 100 km/h. The optional Dethleffs safety packages go even further – with stabiliser, crash sensor and smoke detector.

» The Dethleffs safety packages is available as an optional extension. It offers you maximum safety with its stabilising system, crash sensor and the smoke detector

# Signed and sealed

» We won't leave you out in the rain. We have installed a robust roof made of GRP which is resist to storm and hail. The high-quality conversion of the vehicle is backed by Dethleffs' water ingress warranty.

Dethleffs guarantee the water tightness of your caravan for six years, provided that annual water ingress inspections are undertaken by your Dethleffs workshop and documented with the inspection sticker.

» The inspection sticker is available with your Dethleffs Service partner

» Good mood guarantee even if it is raining

# Always there for you!

» When making your choice of holiday companion, we are there to help. We have 330 expert Dethleffs retailers looking forward to meeting you and discussing your individual holiday wishes. At Dethleffs Service partners your vehicle will be in good hands when inspections, repairs or spare parts are needed. Thanks to the extensive Dethleffs spare parts stock the parts will be quickly supplied and you again can enjoy your adventure travelling!

» Competent consulting you will get at your Dethleffs authorised trade partner. Drop in and convince yourself!

# Excellent and fair reliability

» As a customer you are in good hands – that is highlighted by the German Fairness Price which we have received as the first motorhome producer.

But what is the meaning of “fair”? Perhaps that you always can count on us. True to our company motto – a friend of the family.

That our existing customers have the same opinion is confirmed by the award in single categories price-performance ratio and reliability. We say “Thanks a lot!”

» Sustainable quality and service is liked by our customers. Our Retailers are qualified experts in everything Dethleffs. Pop in and see our latest products and you'll be convinced!

# Experience Dethleffs at work

» In Isny in the amazing Allgäu you can visit the birthplace of your home on wheels. During the factory tour and the visit in our show room you will get to know what is the meaning of reliable quality from Isny. Visit us!

On a tour you will experience the Dethleffs production. Please register by dialing: +49 75 62 87 70 or submitting a registration form at: [www.dethleffs.com/factorytour](http://www.dethleffs.com/factorytour)

» Motivated employees, high-quality materials and permanent quality checks ensure the long life cycle of your vehicle

» Dethleffs is one of the biggest production sites for leisure vehicles in Europe. Join us for a factory tour

» Experience the live production of our caravans and motorhomes: [www.dethleffs.com/factorytour](http://www.dethleffs.com/factorytour)

# Well informed always and everywhere

» News about Dethleffs, caravanning and all the vehicle details you need can be found on our website: [www.dethleffs.com](http://www.dethleffs.com)

There you can register for our regular newsletter which will inform you about all our events and news. Or visit us on Facebook, Instagram and YouTube where you will find the current images and videos.

**Further information can be sent upon request.**

Feel free to contact us or download the files on: [www.dethleffs.com/service](http://www.dethleffs.com/service)

**Subject to change, errors excepted.**

Please note that the pictures of this brochure also show alternative designs or optional fittings at extra costs. Detailed information about specifications and equipment can be found at the separate specification sheet. Colours will differ.

**Many thanks for the support and decoration of the vehicles:**
